If a majority of less than three-fifths of all Senators vote affirmatively on the question, then the vote on the Bill shall be deemed reconsidered, and the Bill subject to amendment by striking out the effective date clause, and then the Bill shall be under consideration on third reading, with the effective date clause stricken. (Constitution, Article IV, Section 10.)

While the roll call is being taken, the Presiding Officer shall state: "Have all voted who wish?" The voting will be closed when the Presiding Officer announces: "Take the Record." No motion for reconsideration shall be in order unless made at the next actual session day of the Senate. HOUSE OF REPRESENTATIVES TABLE OF EXTRAORDINARY VOTE REQUIREMENTS

Under parliamentary law, legislative actions generally require a simple majority, i.e. a majority of those voting on the question. However, the Illinois Constitution of 1970 and the House Rules frequently impose requirements for greater, or extraordinary majorities.

The most common extraordinary majorities are: (1) a "constitutional majority," a majority of the members elected, which is 89 in the House; (2) three-fifths of the members elected, which is 107 in the House; and (3) two-thirds of the members elected, which is 118 in the House.

In the House, "present" votes are recorded, but disregarded in determining the results of a vote. (Rule 52)

HOUSE RULES REQUIREMENTS — RULES SUSPENSIONS

Generally, a House rule may be suspended by 89 votes.

However, several rules provisions require either 107 or 118 votes to suspend, because the particular provision specifies or because of the general rule that

suspension of any procedure which requires an extraordinary majority requires that same extraordinary majority to suspend it. (Rule 72(b))

In addition, some rules are non-suspendable, and some suspension motions require unanimous consent to make the motion, if the motion is not printed on the calendar.

Following are those rules which explicitly require more than 89 votes to suspend. All other provisions may be suspended by 89 votes, except where the provision being suspended involves an extraordinary vote requirements.

Rule	**Vote**
11(b) ..... Special order must be on the calendar 3 legislative days	107
18 ..... Committee posting requirements (motion on calendar), availability of printed bills, number of bills posted for one meeting	107

25 ..... Deadline for committee action on bills	107
27(b) & (c) ..... Introduction deadlines and exemptions	nonsuspendable

27(e) & (f) 107
Limitations on appropriation bills

31(b) ..... unanimous consent
To make motion to advance without reference to committee, where motion is not on calendar

31(g) 107
Committee on assignment limited to holding bills 3 days during sessions

33(b) 107
